A Message from Mayor Michael D. Bissonnette

Thank you for taking the time to keep Chicopee clean by recycling and properly disposing of your waste. Every time we recycle, we help to prolong the use of the Chicopee Landfill by keeping materials that we can reuse out of it. This helps the residents of the City of Chicopee by keeping our waste collection and disposal costs down, resulting in lower taxes to our homeowners and taxpayers.

If you have any questions, comments or suggestions on how we can keep Chicopee clean and environmentally friendly, please call my office at 413-594-1500.

Mayor Michael D. Bissonnette
